And this I know

His teeth as white as snow

What a gas it was to see him

Walk her every day

Into a shady place

With her lips she said

She said

\*instrumental\*

Lovely legs there are

What a big black mask

What a hunk of love

Walk her every day into a shady place

He's like the dark, but I'd want him

\*instrumental\*

Gigantic, gigantic, gigantic

A big big love

Gigantic, gigantic, gigantic

A big big love

Gigantic, gigantic, gigantic

A big big love

Gigantic, gigantic, gigantic

A big big love
