Iâ€™m up and down again  
Iâ€™m losing all my friends  
But itâ€™s all right  
Iâ€™m forcing her to leave  
And sheâ€™s the better half of me  
But itâ€™s all right  
I miss the both of you  
So much that I canâ€™t move  
But itâ€™s all right  
If you give me a little time  
To straighten out my mind  
Things will be all right, all right

I want to thank you for our talk  
Holding hands while we walked  
You made me feel all right  
And I wonder how you feel  
If itâ€™s really no big deal  
Is it all right?  
You said thereâ€™s nothing for you to say  
It would have happened either way

So itâ€™s all right  
I think the worst part of it all  
You donâ€™t know how beautiful you  
And that isnâ€™t all right  
Honey, I know youâ€™re hurt  
Even if you donâ€™t put it into words  
I want you to be all right

Now I'm scared of this world  
And falling for another girl  
But itâ€™s all right  
This bed gets so damn cold  
I hate sleeping here alone  
But itâ€™s all right  
This feeling is well deserved  
Iâ€™ve been owed all this hurt  
For a long time  
If you give me a little time  
To straighten out my mind  
Things will be all right, all right
