I bless the day I found you  
I want my arms around you  
And so I beg you, let it be me

Don't take this Heaven from one  
If you must cling to someone  
Now and forever, let it be me

Each time we meet, love  
I find complete love  
Without your sweet love, what would life be?

So, never leave me lonely  
Tell me that you love me only  
And say you'll always, let it be me

So, never leave me lonely  
Tell me that you love me only  
And say you'll always, let it be me
