Sunny, yesterday my life was filled with rain

Sunny, you smiled at me and really eased the pain

Oh, the dark days are done

The bright days are here

My sunny one shines so sincere

Sunny one so true

I love you

Sunny, thank you for that sunshine bouquet

Sunny, thank you for the love you brought my way

You gave to me your all and all

Now I feel ten feet tall

Sunny one so true

I love you

Sunny, thank you for the truth you let me see

Sunny, thank you for the facts from a to z

My life was torn like windblown sand

And then a rock was formed when we held hands

Sunny one so true

I love you

Sunny, thank for that smile upon your face

Sunny, thank you for that gleam that flows with grace

You're my spark of nature's fire

You're my sweet complete desire

Sunny one so true

I love you

Sunny, yesterday my life was filled with rain

Sunny, you smiled at me and really eased the pain

The dark days are done

The bright days are here

My sunny one shines so sincere

Sunny one so true

Sunny one so true

Sunny one so true

I love you
