Here comes more tears to cry
Here comes more heartaches by
Here comes my baby back again

Here comes more misery
Here comes old memories
Here comes my baby back again

My arms are open wide
To let more hurt inside
Here comes my baby back again

He's sorry once again
Once more I'll understand
Here comes my baby back again

Here comes my baby back again
My arms are open wide
To let more hurt inside
Here comes my baby back again

He's sorry once again
Once more I'll understand
Here comes my baby back again
Here comes my baby back again
