To win again
To never stop finding
Moving as one
Is the word for home
Begin to place
Yourself in the big frame
When you dream
When you dream
Away...away

[Verse 1:]

En avant pour la victoire
En avant pour la victoire
C'est le moment de l'espoir
C'est le moment de l'espoir
Let the sweet air
Fill our hearts
Walk on and celebrate the...
Day the day the day celebrate the day etc.
Grab your drums
Paint your soul
Feel the roar and celebrate the...
To win again
To never stop climbing
The rising road
Of ultimate faith
Unity
The world in a heartbeat
When you dream
When you dream
Away...away
