Keep Hurting Me
Show me the rain
And teach me survival
To make me dream again
Bring me home once more

Roads overgrown
Where will I sleep tonight, though
'Cause every single home
Is a stranger to my call

So hurt me
Keep hurting me
Make everything go wrong
So hurt me
Keep hurting me
Starve me for holding on

So, guiding star
Show me blue horizons
I am in the darkest part
What made us right that day

So hurt me
Keep hurting me
As long as you are strong
So hurt me
Keep hurting me
Till it's all lost and gone

Keep me close
And carry me dazed
Make all your doubts erase
With all your might
It's useless to fight
And now it's getting late

So hurt me
Keep hurting me
Tell me I'm not the one
So hurt me

Keep hurting me
Leave all the love undone

So hurt me
Keep hurting me
As long as you're so strong
So hurt me
Keep hurting me
Till it's all lost and gone
