Mr. Magoo, you may be blind  
But I can still see you  
Anytime you see, that might come true  
Right type of mood

Once again the rude boy, just launch an attack because  
Crowd a people, them no want no less than that  
Each and every time we bust the boom shack attack  
because

Rough and ready, justa de pun track  
Are you ready? Are you ready, Lord?  
Are you ready? Are you ready?

I'm in the right type of mood, right type of mood  
I'm in the right type of mood, right type of mood  
I'm in the right type of mood, right type of mood  
I'm in the right type of mood, right type of mood

Me like a fish outta water, same time that the lyrics  
Come out me head because  
Papa Herbie, just respect natty dread  
Check out that bad boy, bust de boom shack attack  
because

Once again we defy, put you on ya back  
Are you ready? Are you ready, Lord?  
Are you ready? Are you ready?

I'm in the right type of mood, right type of mood  
I'm in the right type of mood, right type of mood  
I'm in the right type of mood, right type of mood  
I'm in the right type of mood, right type of mood

Mr. Magoo, I'm still with you  
Right type of mood, right type of mood  
Right type of mood, right type of mood, watch this

Mary had a little lamb but then she let it go because  
Down in the city, Papa Herbie had a show  
Jack and Jill went up the hill and both dem fell down  
because

Me not gonna tell no answer

But they was ready, are you ready?

But they was ready

So are your ready, Lord?

They was ready, are you ready?

Me like a fish outta water, same time that the lyrics

Some out me head because

Right type of mood

Me like a fish outta water, same time that the lyrics

Come out me head because

Follow me

I'm in the right type of mood, right type of mood

I'm in the right type of mood, right type of mood

I'm in the right type of mood, right type of mood

I'm in the right type of mood, right type of mood

Mr. Magoo, you may be blind but I can still see you
