Hush now, don't explain
there aint nothing to gain
well I'm glad you're back,
Don't explain.

Quiet baby don't explain
you know there aint nothing to gain 0
Skip that lipstick,
Don't explain.

You know that I love you and what love endures
All my thoughts are of you for I'm so completely yours.
Cry to hear folks chatter
And I know you cheat
Right or wrong, don't matter
When you're with me, sweet.

Hush now, don't explain
You are my joy and your pain
My life's, yours love,
So don't explain

You know that I love you and what love endures
All my thoughts are of you for I'm so completely yours.
dont wanna hear to hear folks chatter
Cos I know you cheat
Right or wrong, don't matter
When i'm with you, sweet.

Hush now don't explain
know You're my joy and your my pain
My life's, yours love,
Don't explain.
