You're so afraid our love won't last
Living in the past
Pretending you don't see...

You're walking
With
Those
Eyes of fear
Through walls that aren't there
Open up to me...

Trust me...
Never be afraid...

I've never fooled you with those words
That hungry girls have heard
Whispered in the dark...

I've never played love like a game
Or put you through the pain
Of hiding from your heart...

Trust me...
Never be afraid, baby...

Trust me...
Open
Up
Your
Heart...

(Break)

Trust me...
Never be afraid...

You're always looking for the lie
Of foul play in my eyes
Trying to play it smart

How can I show you how I feel
When you say nothing's real

And take my words apart...

Trust me...

Never be afraid, baby...

Trust me...

Open

Up

Your

Heart...

Open... up... your heart
