I was a sailor, I was lost at sea  
Under the waves  
Before love rescued me  
I was a fighter, I could turn on a thread  
Now I stand accused of the things I've said

When love comes to town I'm gonna jump that train  
When love comes to town I'm gonna catch that flame  
Maybe I was wrong to ever let you down  
But I did what I did before love came to town

Used to find love under a red sunset  
I was making promises I was soon to forget  
I was as pale as the lace on my wedding gown  
But I left him standing before love came to town

I ran into a juke joint when I heard the guitar scream  
The notes were turning blue, I was dazing in a dream  
As the music played I saw my life turn around  
That was the day before love came to town

When love comes to town I'm gonna jump that train  
When love comes to town I'm gonna catch that flame

Well maybe I was wrong to ever let you down  
But I did what I did before love came to town

I was there when they crucified my Lord  
I held the scabbard when the soldier drew his sword  
I threw the dice when they pierced his side  
But I've seen love conquer the great divide

When love comes to town (baby) I'm gonna catch that  
train  
When love comes to town (baby) I'm gonna catch that  
flame  
Maybe I was wrong to ever let you down  
But what I did before love came to town

Before love came to town  
When love comes to town, when love comes to town,  
When love comes to town, when love comes to town

Gonna, gonna catch that flame, when love comes to  
town,  
When love comes to town, yeah when love comes to  
town,  
When love, when love, when love, when love comes to  
town

Yeah when love comes to town  
When love comes to town
