Exactly how you hear it
Is exactly how it all went down
It was later in the evenin'
That the facts and the figures got turned around

True there was a woman
Yes, she did advance my way
And I can't be sure exactly
But I swear I saw her say my name

It was the right time
But she was the real thing
I had to walk away
See, don't wanna be

Stitched up out of my mind feelin'
Strung out, laggin' behind all
Trapped in, can't do a thing
Because I'm locked down

Stitched up feelin' the burn all
Strung out I finally learned that
Trapped in, I can't do a thing
Because I'm locked down

I wonder where she came from
I wonder where she's gotta go
Who's to say she's single and who's to say she's on her
own?
Girls like that don't sleep alone

Ah, here's a thing, here's a thing

That girl is flawless
And I know I'm not the first one to think that
And since I'm not the first, I sure won't be the last
Spend my whole life lookin' behind my back
I just don't think I'm up to that

Stitched up out of my mind feelin'
Strung out, laggin' behind all
Trapped in, can't do a thing

Because I'm locked down

Stitched up, feelin' the burn all
Strung out, I finally learned that
Trapped in, you can't do a thing
Because you're locked down

Stitched up out of my mind feelin'
Strung out, laggin' behind all
Trapped in, can't do a thing
Because I'm locked down

Stitched up, feelin' the burn all
Strung out, I finally learned that
Trapped in, you can't do a thing
Because you're locked down, locked down

Stitch me up, string me out
Trap me in, lock me down
Stitch me up, string me out
Trap me in, lock me down

Stitch me up, string me out
Trap me in, lock me down
Stitch me up, string me out
Trap me in, lock me down
