You told me all I would need was a little time
But getting over you is still such an uphill climb
I know I ought to be living in the present tense
But the past I had with you was the last time my life
made sense

Call me crazy, for hurting this way
Call me crazy, go on and say
It's a phase I'm going through
Call me crazy, crazy over you

I know you don't really mean to be so unkind
But pardon me if I'm not in the right frame of mind
To go on hearing how I should start all over again
Face the future without you, I wouldn't know how to
begin

Call me crazy, for hurting this way
Call me crazy, go on and say
It's a phase I'm going through
Call me crazy

You say, I'm lost in a fantasy
But what we had was real to me
Call me crazy

Go on and say
It's a phase I'm going through
Call me crazy, crazy over you, you
Call me crazy
