We agreed that it was over,
now the lines have been drawn,
the vows we made began to fade but now they're gone.
Put your pictures in the shoe box,
my gold ring in the drawer.
I'm not suppose to love you anymore.
Now Sherry says she's jealous of the freedom that I've
found.
If she were me she would be out on the town, and she
says she can't imagine
what on earth I'm waiting for.
Chorus:
I'm not suppose to love you anymore.
I shouldn't care, wonder where, or how you are,
but I can't hide this hurt inside my broken heart.
I'm fighting back emotions I've never fought before,
cause I'm not suppose to love you anymore.
Now I'm writing you this letter and it's killing me
tonight,
that I agreed when you believed it wasn't right,
and I couldn't sleep up on the bed,
so I'm down here on the floor.
Chorus
I'm fighting back emotions I've never fought before
cause I'm not suppose to love you anymore
