(James Dean Hicks - Jamie Houston - Andy Goldmark)

Unbelievable, describes your smile so sweet  
Inconcievable, that you're a part of me  
The innocent look in your eyes  
Love without compromise for me  
It's a mystery.

Chorus:

What did I do to deserve you  
Only God's hands could have made you  
And brought this dream to life  
Always swore that I would never fall  
I guess miracles happen after all  
And what did I ever do to deserve you?

Unconventional, it describes my love for you  
Unconditional, 'cause there's nothing I won't do  
I pray as this feeling grows  
That you'll always touch the heart and soul of me  
It's a mystery.

Chorus:

What did I do to deserve you  
Only God's hands could have made you  
And brought this dream to life  
Always swore that I would never fall  
I guess miracles happen after all  
And what did I ever do to deserve you?

I've waited all my life to hold such a treasure  
What is this feeling worth there's no measure  
What did I do?

--- Instrumental ---

You brought this dream to life  
Always swore that I would never fall  
I guess miracles happen after all  
And what did I ever do to deserve you  
To deserve you, to deserve you...
