(Spoken)

Look, up in the sky! It's a bird!

It's a plane!

Nooo! It's Superman!

Superman, I love you Superman

Do it to them, Superman

We love you, Superman

Superman, we love you Superman

Do it to them, Superman

We need you, Superman

Superman, you make me feel like the queen of the world

Superman, you make me feel so special when

You're zooming up and down around

You're flying oh so high and wow!

You lift me up your super bad

I wanna shout again and again

Superman, we love you Superman

Do it to them, Superman

We love you, Superman

Superman, you make me feel like the queen of the world

Superman, you make me feel so special when

You're zooming up and down around

You're flying oh so high and wow!

You lift me up your super bad

I wanna shout again and again

Superman, we love you Superman

Do it to them, Superman

We need you, Superman

Superman, I love you Superman

Do it to them, Superman

I love you, Superman

FADE:

Superman, I love you Superman
