if theres a prize for rotten judgement  
i guess ive already won that  
no man is worth the aggravation  
thats ancient history  
been there done that

Who'd ya think you're kiddin'  
He's the Earth and heaven to you  
Try to keep it hidden  
Honey, we can see right through you

oh no

Girl, ya can't conceal it  
We know how ya feel and  
Who you're thinking of

oh No chance, no way  
I won't say it, no, no  
You swoon, you sigh  
Why deny it, uh-oh

It's too cliche  
I won't say I'm in love

I thought my heart had learned its lesson  
It feels so good when you start out  
My head is screaming "get a grip, girl"  
Unless you're dying to cry your heart out

You keep on denying  
Who you are and how you're feeling  
Baby, we're not buying  
Hon, we saw ya hit the ceiling  
Face it like a grown up  
When ya gonna own up  
That ya got got got it bad

oh No chance, no way  
I won't say it, no, no

give up give in

check the grin  
youre in love

this scene wont play  
I won't say I'm in love  
youre way off base  
i wont say it  
get off my case  
i wont say it

girl dont be proud  
its ok youre in love

oh At least out loud  
I won't say I'm in, in love
