As a child, I knew
That the stars could only get brighter
And we would get closer
Get closer
Oooooh

As a child, I knew
That the stars could only get brighter
That we would get closer
Get closer
Leaving this darkness
Behind

Mmmm-mmmm
Ooooooh

Now that I'm older
The stars should lie upon my face
When I find myself alone
Find myself alone
Oooooh

Now that I'm older
The stars should lie upon my face
And when I find myself alone
I feel like I
I am blind

Feel it
Feel it
Feel it
Feel it
Like I am blind
I am blind

I wish the stars could shine now
For they are closer
They are near
But they will not present my present
They will not present my present

I wish the light could shine now

For it is closer
It is near
But it will not present my present
It makes my past and future painfully clear

To hear you now
To see you now
I can look outside myself
And I must examine my breath and look inside
Ooooooh

To see you now
To hear you now
I can look outside myself
And I must examine my breath and look inside
Because I feel blind
Because I feel blind

I feel it
I feel it
I feel it
Like I
Like I'm blind
Ooooooh
The movie will
Mmmm, and feel it
Ooooooh, I feel it
Feel it
