Gimme a three day weekend,
In the mountain view,
A snow covered cabin,
With just room for two,
A fire softly burnin',
Not a thing to do,
But get away with you,

Gimme a weeks' vacation,
On a sandy beach,
Little desert island,
That not even time could reach,
And ocean paradise,
Waitin' for me to,
Get away with you,

Let the world keep on spinin',
Without us in it,
Let's not waste,
Another precious minute,
Oh, with all my heart,
All I wanna do,
Is get away with you,

(Oh baby)

Gimme a quiet evening,
Somethin' I can cook,
Turn some music on,
Take the phone off the hook,
Follow the candlelight,
To the living room,
To get away with you,

Let the world keep on spinin',
Without us in it,
Let's not waste,
Another precious minute,
Oh, with all my heart,
All I wanna do,
Is get away with you.

Oh with all my heart,
All I wanna do,
Is get away with you.
