I can't wait no more  
This ain't no open door  
This ain't no game, I won't be here  
I have my life, I won't be here

I can't wait no more  
This ain't no open door  
This ain't no game, I won't be here  
I have my life, life, I won't be here

I won't bear this cross  
I won't wear this chains  
I will find my own fire  
I will find my own fire

I won't bear this cross  
I won't wear this chains  
I will find my own fire  
I will find my own fire

I won't bear this cross  
I won't wear this chains  
I will find my own fire  
I will find my own fire

I'm always by your side  
When I can't count on you  
You're gonna realize  
How much I loved you  
How much I loved you

Don't keep me in the dark  
Don't keep me in the dark, my friend  
I know devotion, I know devotion  
I know devotion my friend

I won't bear this cross  
I won't wear this chains  
I will find my own fire  
I will find my own fire

I won't bear this cross

I won't wear this chains  
I will find my own fire  
I will find my own fire

I won't bear this cross  
I won't wear this chains  
I will find my own fire  
I will find my own fire
