Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie
Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie

Looking at you from a distance
You seem so sweet and innocent
I can spot the bad girls a mile away
If you want it, come and grab it
Life's too short for silly games
Never fighting off temptation
Take advantage of this nasty situation

Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie
Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie

Act surprised and disgusted
You know damn well that you've been busted
I can see the naughtiness in your eyes
It takes one to know one
It's true we two we think alike
Never fighting off temptation
Take advantage of this nasty situation

Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie
Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie

Dirty minds
Dirty minds think alike

Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie
Dirty minds
Dirty minds think alike
We got our heads in the gutter
And our fingers in the pie
