Not a gain  
Images of the endless  
You'll never understand  
Until you see what I see

It's been like a year underwater  
Everyday I feel I'm dying  
I am numb  
I can't tell you until it happens

It's been like a year underwater  
Everyday I feel I'm dying  
I am numb  
I can't tell you until it happens

Ten million  
Visions  
Have drained my life  
Sometimes I don't want to be me  
To you could  
Be a gift but  
For me  
Has been a nightmare

I can't hear  
I can't sleep  
I can't breathe  
I can't think  
I can't feel anymore

But this pressure on my chest  
All this shit has been overwhelming  
Please tell me  
What could I do to stop this pain  
Please tell me  
What could I do to stop this pain

This pain  
(Instrumental)

Kill my thoughts

This is the only way  
To get away

I feel, the end  
Kocking at the door  
The end  
Kocking at the door  
I feel, the end

God  
The end is  
Knocking at the door

Images of the endless  
You'll never understand  
Until, you see what I see  
It's been like a year underwater  
Everyday I feel I'm dying  
Everyday  
I Feel like dying
