

## Herman Düne "Coffee And Fries"

Visit "[Coffee And Fries](#)" on MotoLyrics.com

A church and houses  
A dry wind rises  
No seaside  
No tide  
A bridge over  
No river  
¾ of a yellow moon

No record shops  
Pizzas and lollipops  
Coffee and a little hasch  
Fries and a little hasch  
Hasch cakes, hasch cookies  
Hasch-baked doll babies  
¾ of a yellow moon

You don't travel unless you're ready  
To take the time and the money  
Why buy stuff  
When life is expensive enough  
The price of a return ticket  
The price of a winter jacket  
¾ of a yellow moon
