I see how you look at me
And I Don't understand
I have plenty of time when
Yours is running fast
You're filled up with
"Despise" and "shame"
Through your eyes and on your cheeks
I look at you at night
And I don't envy you

So, you think you hold the truth
And I am lost
If I am lost
I am still living

I look at you at night
And I don't envy you
I'm looking at your face
And I don't envy you
I have all of my time
And you re getting older
I look at you at night
And I don't envy you
