I'm looking at the bird working like an architect
I'm looking at the bird working like an architect
I'm looking at the little bird
Working like a little architect
I'm looking at the beautiful bird
Working like a beautiful architect

And I wonder what he thinks at the damn on the river
I warn you: when all of that water
Comes up to the trees
You'd better think of, think of, think of
Saving what you have
Little Architect

I'm looking at the bird working...
