1) I leave the house every morning at eight  
And I work pretty hard for the money I made  
But it's clear to see - You don't appreciate  
All the things, that I did for You, baby

2) Well, You want some of these, or You want some of  
those  
The more money I make, the faster it goes  
And You don't say "thanks for those new  
pretty clothes  
And all the things I do for You, baby

----- Lead Guitar -----

Chorus: Why can't You see  
Just what You're doing to me  
Baby, it's true  
All what I'm doing, I'm doing for You

3) Maybe You think 'cos I work with my hands  
That I'm not as smart as some of the men  
But I pray every night, that You'll understand

All the things I do for You, baby

----- Lead Guitar -----

Chorus: Why can't You see  
Just what You're doing to me  
Baby, it's true  
All what I'm doing, I'm doing for You

4) When I'm in need of somebody to hold  
One caress when I'm feeling cold  
You can't afford to tell me no  
With all the things I do for You, baby  
With all the things I do for You, baby
