(Kenny Young)  
Don't go out into the rain  
You're gonna melt, sugar  
Oh, no come and sit here by the fire  
For a spell, sugar  
Oh, ho, please take your shoes off and make yourself  
comfortable  
The weather's miserable and you're so kissable  
It's getting late  
Why don't you stay  
It's after one  
We've just begun  
She's got to go  
Oh no no no please don't go  
Don't go out into the rain  
You're gonna melt, sugar  
Oh, no, come and sit here by the fire for a speel, sugar  
Oh, ho, the house is ours now that everybody's gone  
And while the telly's on we should be having fun  
It's gettin glate  
Why don't you wait  
It's after one  
We've just begun  
She's got to go  
Oh no no no please don't go  
Don't go out into the rain you're gonna melt sugar  
Oh, no, come and sit here by the fire for a spell sugar  
Oh ho, it's getting late  
Why don't you wait  
It's after one  
We've just begun  
She's got to go  
Oh no no no, don't be insane
