(Best)

I understand just how you feel
Your love for me might not be real
It's over now but it was grand
I understand, I understand

If you ever change your mind
Come back to me and you will find
Me waiting there, at your command
I understand, I understand

I miss you so, please believe me when I tell you
I just can't stand to see you go
And you know

That if you ever change your mind
Come back to me and you will find
Me waiting there at your command
I understand, I understand

[Spoken:]

"I understand just how you feel. Let bygones be
bygones.
But always remember I love you, I love you, I love you."

(We'll sip a cup of wine, my dear, for Auld Lang Syne)
I understand
