At first I was afraid I was petrified
Kept thinkin' I could never live without you by my side;
But then I spent so many nights
Thinkin' how you did me wrong
And I grew strong, and I learned how to get along?.

And ,
So,
You're,
Back from outer space
I just walked in to find you here with that sad look upon
your face
I should have changed that stupid lock
I should have made you leave your key
If I'd've known for just one second you'd back to bother
me

Chorus:
Go on now, go walk out the door
Just turn around now
Cause you're not welcome anymore
Weren't you the one who tried to hurt me with goodbye
Did you think I'd crumble
Did you think I'd lay down and die?
Oh no, not I. I will survive
Oh as long as I know how to love I know I'll stay alive;
I've got all my life to live,
I've got all my love to give and I'll survive,
I will survive.

It took all the strength I had not to fall apart
Kept trying' hard to mend the pieces of my broken
heart,
And I spent oh so many nights
Just feeling sorry for myself. I used to cry
But now I hold my head up high
And you see me, somebody new
I'm not that chained up little person still in love with
you,
And so you feel like droppin' in
And just expect me to be free,

Now I'm savin' all my lovin' for someone who's lovin'
me

Chorus:
Go on now, go walk out the door?.

Lalalalalalala?
