(Gouldman)

Mr Brown: Lemon and lime
Turn of the time
Or five for a couple of bob.
Good for a cold
You'll never grow old
For wheezing there just the job.

Around the corner
In the market square
Thats the spot to make your pitch.
Around the corner
Put your barrel there
That the place where you'll get rich.

Carrots and spuds
Jeffers and bloods
They're lovely, ripe and sweet.
Let it out loud
Pull a big crowd
To value they can't be beat.

Around the corner
In the market square
Thats the spot to make your pitch.

Leck: Around the corner
Put your barrel there
That the place where you'll get rich.

Pippens with pips
These are the tips
On how to make punters punt

Keith: Give them a schpeal
Polish the peel
And put the good one's up front.
Around the corner
In the market square
Thats the spot to make your pitch.

Mr Brown & Keith: around the corner
Put your barrel there
That the place where you'll get rich.

Mr Brown: Peas in their pods
Never lay odds

Mr Brown & Barry: Aware of the golden thumb

Mr Brown: Press down the scale
You'll go to jail
The costumers are tom thumb

Everyone: Around the corner
In the market square
Thats the spot to make your pitch.
Around the corner
Put your barrel there
That the place where you'll get rich.

Mr Brown & Karl: Play it my way
Make the game pay
Tell them what they want to hear
Serve with a smile
Cut for the pile
After you've sold the idea.

Mr Brown & Herman: Lemon and lime
Turn of the time
Or five for a couple of bob.
Good for a cold
You'll never grow old
For wheezing there just the job.

Around the corner
In the market square
Thats the spot to make your pitch.
Around the corner
Put your barrel there
That the place where you'll get riiiiich.
