Something is happening  
And it started happening when you walked by-yi-yi  
Something is happening  
And it's changing everything, do you know why-yi-yi

Soon as you started to kiss me  
Something new suddenly hit me  
The world over it's always happening  
The same sort of thing to others, too  
Something is happening to me  
And I only hope the same thing is happening to you

Something is happening  
Exiting, bewildering, you must know why-yi-yi  
Something is happening  
I can't think of anything but you and I-I-I

What begins these lovin' notions  
You do things to my emotions  
I can't help, whatever is happening  
There's nothing about it I can do  
Something is happening to me  
And I only hope the same thing is happening to you

I-yi-yi-yi, i-yi-yi-yi

Soon as you started to kiss me  
Something new suddenly hit me  
The world over it's always happening  
The same sort of thing to others, too  
Something is happening to me  
And I only hope the same thing is happening to you

I-yi-yi-yi, i-yi-yi-yi

What begins these lovin' notions  
You do things to my emotions  
I can't help, whatever is happening  
There's nothing about it I can do  
Something is happening to me  
And I only hope the same thing is happening to you

Doo-doot, doo-doot, doo-doot-doot, doo-doot ....
