Sunshine girl I'm leaving soon
I'll be back some day
Sunshine girl I feel your eyes on me
Your looks excite me
I wonder can it be
Do you invite me
To hold you tightly
How you delight me
My sunshine girl
Tonight, tonight, and every night
I wanna be beside you
Tonight, tonight, and every night
I'll be the one to guide you
Happy and most empty
On the blue lagoon light hike
To sunshine girl
My sunshine girl
Sunshine girl, now I must go away
'Cause this was only
A summer holiday
But one day, I'll be
Returning, you'll see
Across the blue sea
My sunshine girl
Tonight, tonight, and every night
I wanna dream about you
Tonight, tonight, and every night
How can I live without you
When I'm home, then everyone will hear about
My little sunshine girl, my sunshine girl
Tonight, tonight, and every night
I'm gonna dream about you
Tonight, tonight, and every night
How can I live without you
When I'm home, then everyone will hear about
My little sunshine girl, my sunshine girl
Sunshine girl, I'm leaving soon
But I'll be back some day
Sunshine girl, I'm leaving soon
But I'll be back some day
Sunshine girl, I'm leaving soon
But I'll be back some day (fade)
