(Thomas/Levitt)

Everyones life is bittersweet  
It's a door that opens wide  
And no man can call himself complete  
Till he's seen it from both sides

This door swings both ways  
It's marked 'In' and 'Out'  
Some days you'll want to cry  
And some days you will shout

This door swings both ways  
It goes back and forth  
In comes a southern breeze  
Or a cold wind from the north

This door swings both ways  
Lets in joy and pain  
In comes the morning sun  
And then the evening rain

This door swings both ways  
Lets in dark and light  
Every day you make the choice  
To let in wrong or right

When shadows fall  
You must prepare yourself for sunshine  
For everything there is an end  
And so my friend you must be brave

This door swings both ways  
Which one will it be  
Will we live in happiness  
Or dwell in misery

This door swings both ways  
Lets in earth and sky  
Make the most of livin'  
If you're not prepared to die  
Make the most of livin'

If you're not prepared to die

This door swings both ways

This door swings both ways

This door swings both ways
