There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love

You know what I mean
Just the two of us and nobody else in sight
There's nobody else
And I'm feeling good just holding you tight

So listen very carefully
Move closer now
And you will see what I mean
It isn't a dream

The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever

There's a kind of hush
All over the world tonight
All over the world
You can hear the sound of lovers in love

La la la
La la la
La la la

So listen very carefully
Move closer now
And you will see what I mean
It isn't a dream

The only sound that you will hear
Is when I whisper in your ear
I love you forever and ever

There's a kind of hush
All over the world tonight
All over the world
People just like us are fallin' in love

Yeah, they're fallin' in love
Hush, they're fallin' in love
Hush
