[Verse 1]

Tell me why I'm feeling this way  
Cuz nothing's the same when you're gone  
There's something going on with my brain  
I'm finding it hard to explain  
Why am I addicted to you?  
And when did I first loose control?  
Oh, how can I escape from your hold?  
And how can I change when I'm numb to the cold?  
There's something thats stirring deep inside  
As long as you stay I'll be alright

[Chorus]

You got me smilin'  
You got me smilin'  
When I think of you  
You got me smilin'  
Cuz I keep dreaming of you  
You got me smilin'  
I keep on smilin'  
When I dream of you  
You got me smilin'  
Cuz I keep thinking of you

[Verse 2]

Now you're gone, I'm wanting you back  
I need you to make me feel good  
The smoke inside my body reacts  
Oh no, I think that I'm under attack  
Its burning up a hole in my face  
And suddenly everything's fine  
I'm searching for some hope in this face  
You see I try but I just can't explain why

[Chorus]

You got me smilin'  
You got me smilin'  
When I think of you  
You got me smilin'  
Cuz I keep dreaming of you  
You got me smilin'  
I keep on smilin'

When I dream of you  
You got me smilin'  
Cuz I keep thinking of you  
You got me smilin'  
I keep on smilin' yeah  
You got me smilin'  
Cuz I keep dreaming of you  
You got me smilin'  
I keep on smilin' yeah  
You got me smilin'  
Cuz I keep dreaming of you

[Outro]

Ooh

Ooh

Yeah
