I love you baby, and if it's quite all right  
I need you baby, to warm a lonely night  
I love you baby, trust in me when I say  
Oh, pretty baby, don't bring me down, I pray  
oh, pretty baby, now that I found you, stay  
And let me love you, baby, let me love you

You're just too good to be true  
I can't take my eyes off of you  
you'd be like heaven to touch  
oh, I wanna to hold you so much  
At long last love has arrived  
and I thank God I'm alive  
you're just too good to be true  
I can't take my eyes off of you

I love you baby, and if it's quite all right  
I need you baby, to warm a lonely night  
I love you baby, trust in me when I say

Oh, pretty baby, and if it's quite all right  
I need you baby, to warm a lonely night  
I love you baby, trust in me when I say

I need you baby, to warm a lonely night  
I love you baby, trust in me when I say
