[Lil' Wayne]

What, what, what, what, what, what

Huh (Huh)

What (What)

If I could change the world (If I could change the world)

Huh (Huh)

What (What - what)

Look:

If I had the world, dog, I'd make hustlin' good

And if I could I'd put work every hustler's hood

[B.G.]

I can't lie - this world is scary to me

I carry two gats - you won't hear nobody buryin' me

[Juvenile]

None of my people would have to pay tax or bills

Even all the new niggas oughtta average a mill

[Mannie]

If I could change the score, we'd never hustle no more

And every bizite that I lizight 'll be like "whoa"

[Lil' Wayne]

And the police would be for here only for the old folks

So if we have a problem, we strap up and hold court

[B.G.]

If I could change it - man, if the world was mine

Nobody'd have to take nothin' 'cause we'd all shine

[Juvenile]

If I ruled the world, nigga wouldn't have no beef

It'll be a decline in the murder rate on the streets

[Baby]

If the world was mine we wouldn't need no killers

We'll put A/C in these project windows

[Lil' Wayne]

Huh (Huh)

What (What)

If I could change the world (If I could change the world)

Huh (Huh)

What (What - what)

Look - what, what, what, what, what

(Hook [Unplugged])

If I could change the world

I'd make it much better for you and me  
I'd erase these hard times we had, yeah  
And we'd ball 'til we fall - can you feel that?  
Yeeeeeeaaaaahhhhh

[Mannie]

Come on, let's do this shit - yo, my party don't quit  
And every record Cash Money put out 'll be a hit

[Lil' Wayne]

I'd dig a ditch for the hatas, put 'em deeper with that  
And I could murder a nigga and wouldn't spend a week  
in the pen

[B.G.]

Man, we'd all have houses, a half-a-block  
We'd all be on chrome in a Benz drop-top

[Juvenile]

All the women would be big, fine with a cute face  
And the children would be the kind that stay in they  
place

[Baby]

If the world was mine I'd unite my peeps  
My mom and my dad would be in this world with me

[Lil' Wayne]

But if a nigga still trip, you can hit him with glock  
And just to keep it real I'll bring back Biggie and Pac

[B.G.]

Man, we'd all get along - we'll be a family  
That's just how it'll be if this world was for me

[Juvenile]

If I ruled the world, wouldn't be no politics  
Blacks would have a lot of shit - that Bentley and that  
Prowler shit

[Lil' Wayne]

What, what, what, what, what, what

Huh (Huh)

What (What)

If I could change the world (If I could change the world)

Huh (Huh)

What (What - what)

Look - what, what, what, what, what

(Hook [Unplugged])

If I could change the world

I'd make it much better for you and me

I'd erase these hard times we had, yeah

And we'd ball 'til we fall - can you feel that?

Yeeeeeeaaaaahhhhh

[Juvenile]

More blunts to smoke up on the streets with peace

Without a worry on our mind, not duckin' police

[Mannie]  
If we could go back in time, you could have what's mine  
That's for shig my nig - we ain't gotta slang that iron  
[Lil' Wayne]  
Play the block all day without runnin' and duckin'  
And everybody drugs raw - they don't cut it with nothin'  
[B.G.]  
It ain't mine - I just gotta get it how I live  
Can't question God on what He made a biz what it is  
[Juvenile]  
If I ruled the world, my family wouldn't fight  
Everything in order - everybody all right  
[Baby]  
If the world was mine I'll still be grindin'  
I'll flip big blocks for (?) and Bryan  
[Lil' Wayne]  
And if you move a hundred bricks, you get a Benz for  
free  
Oh yeah, and Beyonce'll have twins for me  
[B.G.]  
Man, if this world was for the lil' B.G.  
Everybody'd be straight, everybody'd live sweet - uh-  
huh  
[Lil' Wayne]  
Huh (Huh)  
What (What)  
If I could change the world (If I could change the world)  
Huh (Huh)  
What (What - what)  
Look - what, what, what, what, what

(Hook-2x [Unplugged])  
If I could change the world  
I'd make it much better for you and me  
I'd erase these hard times we had, yeah  
And we'd ball 'til we fall - can you feel that?  
Yeeeeeeaaaaahhhhh

[Lil' Wayne]  
Huh (Huh)  
What (What)  
If I could change the world (If I could change the world)  
Huh (Huh)  
What (What - what)  
Look - what, what, what, what, what, what, what, what,  
what, what, what
