I woke up this morning  
But she wasn't there  
And ain't nothing like my baby  
So I got scared  
I find her in the doorway  
Just about to leave  
Then she smiled that lovely smile to me  
And said to my relief

Bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye  
I'll be back  
So don't you cry

She said: I need some time  
To sort things out  
I need some time alone  
I have to find out for myself  
That I can make it on my own  
She got into her cab  
And as she slowly pulled away  
She winded down her window  
And I could hear her say

Bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye  
I'll be back  
So don't you cry

I won't be long  
I won't be gone  
Forever, no no yeah yeah  
I see you soon  
And stay with you  
Forever, together

Bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye  
Bye, bye, bye, bye, bye

I'll be back  
So don't you cry

So don't you cry  
Don't you cry  
So don't you cry
