(It's coming home)  
(It's coming Home  
(It's Coming)  
(Rugby's coming home)

Put Your Hands in the air now

(It's coming Home  
It's coming Home  
It's Coming  
Rugby's coming home)

We still believe (It's coming home)  
We still believe (It's coming home)  
We still believe (It's coming)  
Come on sing along (Rugby's coming home)

It's coming home  
It's coming home  
It's coming  
Rugby's coming home

It's coming home  
It's coming home  
It's coming  
Rugby's coming home

Cheers for heroes  
What a day  
We love the Stade FranÃ§ais  
And they'll blow  
Them away  
And all we hear are songs in the street  
Cuz the rest they will beat  
And they taste will be sweet

And now I'm singing  
Heroes in the shirts  
Everybody's gleaming  
No more years of hurt  
And no more need for dreaming

Talk about rugby coming home  
You'll never walk alone  
We were strong  
And we've grown  
And now I see us  
Ready for war  
Their too good as before  
Now we're going for more

The crowd is screaming  
Heroes in the shirts  
(Here we go, haha)  
Everybody's gleaming  
(let me hear you)  
No more years of hurt  
(Oh no)  
No more need for dreaming  
Now we're raising our hands  
And we've take our chance

Ok listen up everybody  
(It's coming Home)  
(It's coming Home)  
(It's Coming)  
Raise your hands for the Stade Fran ais  
(Rugby's coming home)  
(It's coming home)  
That's right  
(It's coming home)  
(It's coming)  
Rugby's coming HOME!

It's coming Home  
It's coming Home  
It's Coming  
(Rugby's coming home)

It's coming Home  
It's coming Home  
It's Coming  
Rugby's coming home

Here we go!  
It's coming Home  
It's coming Home  
It's Coming  
Rugby's coming home

It's coming Home  
It's coming Home

It's Coming  
Rugby's coming home

(Yeah Yeah)  
Heroes in the shirts  
(Everybody)  
Everybody's gleaming  
(Everybody!)  
No more years of hurt  
(Or dreaming)  
No more need for dreaming  
(Yeah Yeah)

Heroes in the shirts  
(Everybody)  
Everybody's gleaming  
(Hey Hey Hey!)  
No more years of hurt  
(No more dreaming)  
No more need for dreaming

It's coming home  
It's coming home  
All right  
Yeah  
Yeah, it's coming home.
