Whoever fights monsters should see to it that in the process

He does not become a monster. And when you look long into

An abyss, the abyss also looks into you.

[Nietzsche]

Men-cheper-Re

It was I who received the weapon of Mitum

Men-cheper-Re

It is I who rule the heavenly power

Men-cheper-Re

Iszkur I summon you

Men-cheper-Re

Unleash the endless element with your might

I shall destroy lands,

And turn them to dust,

I shall destroy cities

And turn them to waste

Inspire the land with blazing fervour

Sulphuric dust shall be thy breath

With divine weapon I destroy lands

I see transient fear

I see the moment of terror

Swallowing souls

The flesh evaporates

Black stain

Venom spread from ulcers

I shall flatten mountains,

Make all beasts die

I shall dry the seas

Decimate what in there lies

Lord of the Flies is coming

Gathering vermin at his side

I shall annihilate mankind

Their souls will turn to dust

None shall be spared

Men-cheper-Re

Body of the enemy, watery lake
Souls like smoke over the ruins
Lack of suffering
Hollow sound of absorption

The locust erodes their eyes
Rain of fire, pillar of ardour
