(darren costin)

You hold my hand when I feel down
Your face is pure, you never frown
You dance your blues away
And if you're sad you never say

I dream of you, it's not so fine
Your face is solemn all the time
I love your honesty
Because I dance with you in my mind

Dance your blues away
Romance your blues
You gotta take a chance, to get away
Dance your blues away

I know inside you're so sincere
Although your heart may shed a tear
You dance your blues away
And when you dance there is no fear

You never lie awake it seems
Your body sleeps, your spirit screams
I know your love is deep
Because I dance with you in my dreams

Dance your blues away
Romance your blues
You gotta take a chance, to get away
Dance your blues away

Dance your blues away
Romance your blues
You gotta take a chance, to get away
Dance your blues away

Dance...
Dance...
Dance...
Dance... the blues
Your blues, away (x3)

(dance your blues away)
Your blues away (x2)
Oh... those blues away
Your blues, away
(dance your blues away)
Dance your blues away... blues away
