So you think all the people are changing
It doesn't really matter to me
You think all of my friends are boring
You're blind to all the things I see

'cause you close yourself away
And we dream of our yesterdays
A big part of my life has gone
It can't go on and on
To feel this way is wrong
This feeling is so strong

So you think I'm in need of restraining
I have to say I disagree
So you think I enjoy your complaining
I can feel it creeping up behind me
All my feelings in the air
Some of them so hard to share
A big part of my life is gone
It can't go on and on
To feel this way is wrong
'cause I feel so enclosed

Oh ho, I'm sick and tired of waiting by
The telephone lines
You know I'd love to know your
Answer now
Oh ho, my heart is full of tears now that
My life's in line
You know... time to
Driftaway

So I guess I'm away from your feelings
I know you won't disagree
Oh so sad that our life has no meaning
If that's the way that things have to be
As I stay with you day by day
I drift further and further away
A big part of my life has gone
It can't go on and on

To feel this way is wrong
'cause I feel so enclosed

Oh ho, I'm sick and tired of waiting by
The telephone lines
You know, I'd love to know your
Answer now
Oh ho, my heart is full of tears now that
My life's in line
You know... time to
Driftaway

Oh ho, I'm sick and tired of waiting by
The telephone lines
You know, got to know your
Answer now
Oh ho, my heart is full of tears now that
My life's in line
You know... time to
Driftaway
