(darren costin/nick feldman)

Here we are  
So tired of all the games we've played  
I guess I'm really trying to say  
To say hello and not goodbye

Here we are  
All together  
I'm sorry for the things said and done  
I wanna stay close to you

Here we are  
Hope forever girl  
My life has took a change for the best  
I need to stay close to you

Here we are  
Can make our lives and all our  
Dreams come true  
But only if you want them to  
So say hello and not goodbye

Here we are  
Tied together  
I know it's been so hard on you girl  
So I intend to comfort you

Love we have  
For each other  
The love we have is all from the heart  
And it's tearing me apart  
Not to be a part of you

Here we are  
Can make our lives and all our

Dreams come true  
But only if you want them to  
So say hello  
Say hello  
And not goodbye

Say hello  
Say hello

Here we are  
So tired of all the games we play  
You know it's time to lose pretence  
Because our lives just don't make sense  
We need each other constantly

Here we are  
Can make our lives and all our dreams  
Come true  
But only if you want them to  
So say hello  
Say hello  
And not goodbye  
Say hello  
Just say hello  
Say hello  
And please don't cry  
Say hello  
Hello  
Oh babe don't cry

Here we are  
So tired of all the games we play  
I guess I'm really trying to say  
To say hello and not goodbye
