There's danger in the fog  
Bells and sirens ringing  
More lights now in the trees  
Tell me who is speaking

There's trouble up ahead  
The ones we dare not speak of  
Take shelter with your prayers  
It's a comfort for the children

Wait, won't you wait for my word  
And I'll find you, my love  
The ones, the ones we call

A new creation of life

They're walking in the night  
And they're striking without warning  
Don't fear the afterlife  
Death's only the beginning

Wait, won't you wait for my word  
And I'll find you, my love  
The ones, the ones we call  
A new creation of life
