[Verse 1:]

Into a world of my own
Where pain and fear is overthrown
I'm falling down - In a way
To live a lie another day

You were the only one I trusted
My only chance to hide away

[Chorus:]

I put all my hope and trust in you
But you disapoint me once again
Caught in a dream - out of the blue
My Imaginary friend

[Verse 2:]

You left me standing alone

Inside this broken mind, unknown
I'm forced to choose a way
Like whispers leads a child astray

You were the only one I trusted
My only chance to hide away

[Repeat chorus]

[Bridge:]

You were the only one I trusted
My only chance to hide away
Falling inside a dream forever
A dream that leads my mind astray

[Repeat chorus]
