[Verse 1:]

I see the colours of my mind - Slowly fading  
For years I walked along so blind - Without falling

I need to rest for a while  
No need to pretend or deny  
Bits and peices fall into place  
I close my eyes

[Chorus:]

Reaching out for a quiet moment  
Slow down - Slow down  
The price is high for some peace of mind

Slow down - Slow down now!

[Verse 2:]

I walk alone beside myself - In sorrow  
My way ahead goes on and on - Towards tomorrow

I need to rest for a while  
No need to pretend or deny  
Bits and peices fall into place  
I close my eyes

[Repeat chorus]
