Lightning and thunder magical wonders
Suddenly one day it happened
Oh, what a piece of luck, (you are a lucky devil)
One day in the city, (you walked there thinking)
One the forecourt (you saw something glistening)
It felt like I had wings
Oh, what a wonderful dream

Diggi-loo diggi-ley everybody's looking at me
When I'm walking in my golden shoes
I danced in the street
And the whole world was laughing
Diggi-loo diggi-ley the sky was opening up
You hardly believe your eyes
Oh, and I almost begin to fly
In my golden shoes

I have visions for millions
Golden shoes for you and happiness is a fact
(Tell us more we trust your world)
Imagine an obstacle, (you'll fly over it)
Wings on your shoes (is all you need)
Oh, I can become what I want
In my magical world

Diggi-loo diggi-ley everybody's looking at me
When I'm walking in my golden shoes
I danced in the street
And the whole world was laughing
Diggi-loo diggi-ley the sky was opening up
You hardly believe your eyes
Oh, and I almost begin to fly
In my golden shoes

It was a wishful dreams but I have to admit
When I woke up I woke up with pleasure
Me a singer and dancer
Oh oh oh oh oh oh

Diggi-loo diggi-ley the sky was opening up
You hardly believe your eyes
Oh, I'd like to wish

For everyone golden shoes
Oh, IÂ'd like to wish
For everyone golden shoes
