Lightning and thunder
Magic and wonder -
I don't know how but it did happen to me.
You felt your heart was set free.
What a sensation
You're flying up high now.
Sweet inspiration
You're going to the sky now.
Couldn't believe I was dreaming

Couldn't believe it was true.
Diggi-Loo Diggi-Ley
Life is going my way

When I'm walking in my golden shoes.
Everything I ever dreamed of has suddenly come true.
Diggi-Loo Diggi-Ley
Let this miracle stay

I could be whatever I would choose.
Please don't wake me up
I'm dreaming of me in golden shoes.

Golden reflections
Giving directions

Bringing the best that I have right out of me.
How in this world could this be
Filling your senses with burning desire
Climbing the fences that's taking you up higher.
Now I believe I can make it
Oh
What a wonderful world.
Diggi-Loo Diggi-Ley
Life is going my way

...

I know my dreams was a fantasy illusion
But when I woke up I came to the conclusion
I can do what I want to
Oh
Oh.
Diggi-Loo Diggi-Ley

Life is going my way
