In the race but out of step  
You struggle to hold up your head  
Like a river you fight your own bed  
I'm needing backyard sanctuary  
I'm on breaktime  
Where the sissies hang  
Looking for oil in the sand  
Like a river you gouge out the land  
Like a drummer who fights the wrong band  
I'm needing backyard sanctuary  
I'm on breaktime  
Where the sissies hang  
This is heaven, this is heaven, this is heaven  
Where the sissies hang  
A hot shower on a hot day

Water hangs in the air like you stayed  
Like you never went down your own drain  
I'm doing rain and hurricane  
I am airborne  
Where the kisses fly  
This is heaven, this is heaven  
And all my friends are there in heaven  
This is heaven  
And all my friends are there in heaven  
This heaven, this heaven  
Where the sissies hang
