

Hesitant Ballad "Australia"

All the lies
All the pain
All the days that make me strain

Now I want
To keep out
All these fights and all about

Ayer's Rock,
Sacred truth,
Calling me, I feel it's true

In a dream
With open eyes
I have no more alibis...

I wanna go to Australia

All the love
That I faked
With my most sincere headaches

Now I see
My real face
As i'm acting my disgrace

Leave my mind

Leave the crowd
I will reach my native star

In the meantime
Park my car
Let's take off to travel far...

I wanna go to Australia

And it makes me feel I'm living all my life
Like a passenger who has not so much time...

I wanna go to Australia

All the lies
All the pain
All the days that make me strain

In this dream
With open eyes
I have no more alibis...
